POWER**

DESCRIPTION

NON-LETHAL DEFENSE

Fired over 150 FPS, these hard polymer projectiles pack a painful punch of kinetic energy that stops attackers in their tracks.

BluntForce non-lethal projectiles disable attackers without causing long term injury or death, giving you time to get to safety.

CALIFORNIA COMPLIANT

BluntForce rounds offer a safe and legal method of self-defense to people in states like California where irritant filled projectiles are not legal.

CONCEAL CARRY

HERO® products are not considered firearms and do not require a license or permit to carry open or concealed in most locations.

Always check regulations in your area before purchasing or using a self-defense device.
